Pledge-to-Give Ongoing Support Program Commonly Asked Questions:

- Q. How does the Pledge-to-Give program help more than normal contributions?**
- A. When we receive donations on a regular basis, we'll know when we will have the funds and can more efficiently budget for food, medicine, veterinary care and shelter for our animal friends.
- Q. How does the pledge program work?**
- A. If you pay by credit card, your card will automatically be billed around the middle of any given month; the first month of a quarter (January/April/July/October); or on the date of your annual pledge-to-give application. If you pay by check, we will send you payment coupons with the amount so you can submit the coupon with your check.
- Q. How much should I pledge?**
- A. We suggest a pledge which will allow you to feel you are doing your part.
- Q. Can I make my contribution larger than usual once in a while?**
- A. Yes! You can make an extra gift at any time. We'll be very grateful and so will our animals. Simply call Jean McClymonds at 209-984-5489 to make a special donation.
- Q. What happens if I have to cancel my pledge?**
- A. You can cancel your pledge at any time. Or, if your situation changes, you can reduce or increase the amount of your pledge. To make changes simply contact Jean McClymonds at 209-984-5489.

Ongoing and increased financial support is key to the continuation of the HSOTC's services and programs, as well as the addition of new programs necessary to satisfy the needs of our community.

Each year we increase the number of animals rescued and, in turn, secure forever homes for even more animals yet we cannot do it without your support. So to help provide continuous support we've developed our HSOTC Pledge-to-Give ongoing support program.

This Pledge-to-Give program provides the ongoing financial support so we spend less time on fundraising and more time on programs and activities that serve animals in need.
